

# Fee Responsibility

Lifeskills Center, Ltd | Susan White, LCSW

800 Main Street, #11 Lower Level, Antioch, IL 60002

I understand as a client of Lifeskills Center, Ltd, I am responsible for any and all fees related to my evaluation, assessment and / or treatment even if I have insurance coverage.

Terms of insurance contracts that this group participates in take precedence over individual fees assessed for services rendered.\*

Initial Assessment Fee: \$150.00 per 50 minutes  
Subsequent Therapy Fee: \$130.00 per 50 minutes

All co-payments and deductibles or a 50% minimum of the fee for service is due and payable at time of service, unless otherwise agreed upon in writing. In the event you have not met your insurance deductible, the full fee is due at each session until the deductible is satisfied. If your insurance company denies payment or does not cover counseling, I ask you pay the balance due at that time. If your balance exceeds \$300.00, I will ask you to pay for services when rendered. After 30 days of your last visit, any unpaid balance will be charged 1.5% interest a month (18% APR). In the event an account is overdue and turned over to our collection agency, all costs associated with collection of any unpaid balance - e.g: legal, court, or collection fees, will be borne solely by the client or responsible party. We ask that every client authorize payment of medical benefits directly to Lifeskills Center, Ltd.

*\*Lifeskills Center honors contractual agreements with individual insurance companies and will bill co-payments & deductibles accordingly up to 2 (two) times. After that, you will be responsible for payment in full for each session.*

**I understand there may be a no-show fee of up to \$50 if I fail to give 24 hours notice for cancellation of my appointment. EAP services and insurance benefits do not cover missed sessions under any circumstance.**
